Kronodesign®

- The highest level of products' quality and safety, exceptional functionality and modern design.
- The bed is made of Kronospan (Austria) Contempo and Mirror Gloss premium ranges chipboard, as well as from solid birch, the PVC edge Rehau (Germany) is used.
- The bed sides with increased thickness ensure the bed's stability and reliability, and the combination of stone oak with textured surface and white gloss creates a unique interior.
- Additional bed sides for the junior bed are available (not included).
- The cot bed "grows" with the child, allowing to extend the lifetime up to 7 years.
- Removable bars allow the older child to use the cot by himself/herself, and the bed sides will protect him/her from falling down during the sleep.
- Specially designed spring mechanism with protection ensures absolute safety for the child.
- Dimensions of the cot bed: L 143 x W 76 x H 90 cm.
