BABY COT POLINI 621 BEIGE-GREEN BUNNY

- Original design with unique bedside shapes and adorable MDF figures.
- The cot meets European requirements for children's furniture EN 716-2:2008+A1:2013.
- Certified Quality ISO 9001:2008.
- The cot is made of solid birch wood, and premium quality laquering and coating, which are absolutely safe for children, are applied.
- Quality control at every stage of production.
- Modern high gloss laquering reflects the latest trends in the nursery furniture design.
- Functional model: 2 base heights, orthopedic bed base, protective teething rails, wheels with stopping systems and rocker.
- The cot is available in beige-green, beige-rose and beige-blue colours.
- Part of the children's room furniture and accessories collection Polini Bunny.
